

ALTO Bookcases

Stylish and scalable bookcases, ideal to structure your spaces !

Perfectly matching the finishes of the **Alto** desk range, the **Alto** bookcases stand out with their fluid, light and contemporary design. Modular and scalable, the **Alto** bookcases will elegantly structure your work spaces and blend perfectly into your environment as stylish and useful proximity storage units.

Open at the top, always equipped with a closed melamine-coated storage unit at the bottom (1, 2 or 3 push-latch doors), with reversible opening one side of the shelving, **Alto** bookcases represent a smart solution combining the aesthetics of bookcases with the practicality of cupboards.

They are infinitely modular thanks to the "starter/add-on" system and can be equipped with practical and decorative black storage compartments.
