

ALTO

Coworking

Mobility, flexibility and ergonomics have become essential criteria in work spaces.

The **Alto** coworking solutions propose innovating, comfortable and practical options to organise your meeting spaces and are ideal to develop relations between employees. Mobile workstations and their accessories (storage compartments, whiteboard, bag hook, extensions) as well as rectangular or square high tables combine ergonomics, built-in connections and contemporary look to create friendly and efficient collaborative atmospheres in your spaces. The **Alto** solutions meet all your layout requirements (lounge, meeting, coworking or project areas) and naturally promote team inspiration and creativity.

TECHNICAL DESCRIPTION

- 25 mm thick Structorex® melamine-coated tops with 4 40 mm radius rounded corners. 2 mm thick shock-proof ABS edging.
- Mobile workstations and meeting tables available in 2 top versions : with part drilled cable management or with electrical equipment including 1 built-in electrical socket strip, equipped with 3 power outlets + 1 USB A charging socket 5v + 1 USB C charging socket 5v + 1 cable port. 2 m power supply cable included.
- H 180 cm or H 105 cm legs (depending on version), metal « A » arch leg, square cross-section 25 x 25 mm, with transverse bar cross-section 40 x 25 mm. Black lacquered epoxy finish.
- Mobile workstations also available in white (smooth) and almond green or ochre (textured) lacquered epoxy finish.
- Assembly connected by steel structural beams, cross-section 40 x 25 mm, same finishes as the legs.
- Options available : set of 3 storage compartments, whiteboard, accessories hook, upper compartment, bench, pedestal, extensions depending on version, fitted on the structure.
- Mobile workstations : 4 Ø 75 mm lockable castors on H 180 cm leg. High tables : adjustable screw feet on H 105 cm leg to compensate for any unevenness in the floor (10 mm range).
