CALME

Workstation pods

The **Calme** workstation pods are practical, personal spaces, designed specially to give the user the calm and intimacy that they need. Perfect to concentrate, make confidential phone calls or to simply relax, the **Calme** pods allow the user to isolate themselves and escape from the agitation of the coworking environment.

Several versions with desk or bench : standing or sitting, the single or Duo workstation pods offer an intimate space to communicate and concentrate all while increasing productivity and employees well being at work.
