

OPTIMAX Evo

Towers

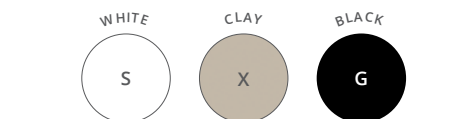

Optimax Evo Towers provide ergonomic storage solutions next to the workstations. They are available in two heights : H 72 cm or H 110 cm with Top box, allowing the maximisation of space in collaborative areas. **Optimax Evo** is available as an individual version that can be set to open on the left or right side of the user. They are available in one-tone or two-tone finishes to match into any working environment.

CHARACTERISTICS

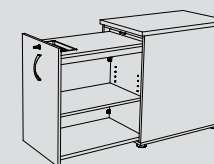

— Tower pedestal structure and Top box plain finishes —

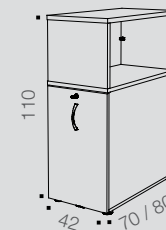

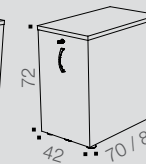

— Tops and front panels MFC finishes —
