

# SOLUTION

## Fliptop tables

The **Solution** fliptop tables are simple and functional to take best advantage of multipurpose rooms. With their light structure on castors, the tables can be moved around freely, placed where you wish or folded and stored away. The **Solution** tables can be used to create single or multiple compositions for multipurpose rooms, meeting rooms and training rooms.

"I" metal leg

Rounded corners

### CHARACTERISTICS

### TECHNICAL DESCRIPTION

- 25 mm thick Structorex® melamine-coated tops with rounded corners for optimum comfort. 2 mm thick shock-proof ABS edging. 70 cm deep to take up minimum space.
- Structure made of 2 "I" metal legs connected by a beam for perfect stability.
- Ø 75 mm lockable castors. Vertical and horizontal positions locked.
- Extremely easy single-handed tilting.
- Vertical storage of the tables by nesting the legs to save space : 19 cm per extra table in depth and 7 cm in length.
- Structures equipped with buffers to protect the tops in vertical position.
- 4 connectors included per table to connect the tables together and side by side.
